RE: 21-1207 Eric Poemoceah v. Morton County, et al

Dear Counsel:

The court has adopted a policy of screening all cases to determine whether or not oral argument is warranted. This case has been screened and selected for submission to a panel of judges on the briefs and record without oral argument.

If you object to the no argument classification, please submit your written response to this office within seven (7) days of receipt of this letter. Your response will be considered by a panel of judges, and you will be notified of the court's final decision concerning oral argument.

If you have any questions regarding the court's screening policy or procedure, please call this office.
